If you wish to receive your copy of our Newsletter via email, please send me an email message to the email address above, and we will do the rest.

**Venison at Easter.** We plan to have some of our wild venison again this year. Order soon!

### **Rare Breed Dexter beef**

Will be ready mid April - call now to secure your order.

Happy Meats is planning to start making **meat pies** and other traditional dishes. Perhaps you have sampled one of our trial Old Spot and gooseberry pork pies? If you have an old traditional meat recipe, we would like to try it out. Just send it to us and we promise you lots of free tastings!

### **Farmers Markets**

- Droitwich, Victoria Square. 9-2pm 1<sup>st</sup> Saturday of every month
- Worcester, Royal Worcester Porcelain, 10-2pm 1<sup>st</sup> Sunday of every month
- Knightwick, Talbot Hotel, 11-1.30, 2<sup>nd</sup> Sunday of every month
- Longdon, Hunters Inn, 11-2pm, 3<sup>rd</sup> Sunday of every month

### **Chippolata/Cocktail Sausages**

We can now offer smaller cocktail sausages; ideal for children with no chemical preservatives or colouring. They do take much longer to make so we have to charge a little more than normal -£7.00/Kg, but you do get 45 -50 per Kg! We are experimenting with smoked sausage so watch this space for progress.

### **WANTED - A Traditional Butcher!**

Happy Meats is currently seeking to employ a really good butcher, part time (2/3 days). If you know of someone who may be interested, please put them in touch with us

What makes **Happy Meats** so **Different?**

**Our Happy Meat animals are:**

- free range
- traditional rare breeds such as Gloucester Old Spot pork and Dexter cattle
- GM free
- Not fed any antibiotics, or other typical growth promoting additives
- Live a longer happier life where their welfare is put first

**Happy Meat is:**

- Hung well so its at its most tasty and tender
- Cut up just as you want it – just ask
- Chemical and water free
- We have a wide range of sausages and burgers which do not contain any preservatives, colouring or the usual chemical cocktail in ordinary sausages
- Our traditional bacon is home dry cured so when you cook it there will be no watery residue left behind
- We have built a traditional oak smoke house and smoke bacon, fish, game, cheese and now garlic too.
